COSTA RICA: Spanish Service Adventure

Costa Rica is your classroom where Spanish immersion, volunteering and adventure create a limitless learning environment.

OVERVIEW

Take learning Spanish out of the classroom—you'll live in Cartago, land of volcanoes, beautiful nature and friendly Costa Ricans, and learn to speak the language from locals. These experiences enhance your language immersion, making sure you get plenty of practice and return home a more confident Spanish speaker.

The GLA Experiential Language Curriculum™ integrates Spanish language learning into all aspects of the experience, allowing students to take away more of the culture, and also leave more behind. From community service to excursions and cultural events, language is given a new context. Spanish class will never be the same.

SPOTLIGHT ON COMMUNITY SERVICE

In the face of increased tourism and development, you'll volunteer on projects focusing on the social development of rural communities and the improvement of recreational spaces. Focus on the creation of community spaces in the rural town of Cartago. Develop projects in public spaces, including schools, that are in poor condition or abandoned. Through rehabilitating safe, community-friendly spaces, we are helping to reduce school dropout rates, enhancing the abilities of children, and supporting community development.

SAMPLE ITINERARY: DAILY BREAKDOWN

Actual schedule of activities will vary by program session. The information detailed here is typical for what you can expect to experience; however, service work and activities vary depending upon the needs of our local community partners, various celebrations and customs, as well as the weather and specific needs of the student group.

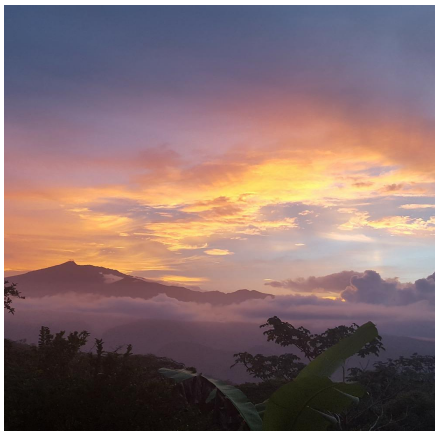

DAY 1: WELCOME TO COSTA RICA!

Fly into San José (SJO) where staff will be waiting to greet you with open arms. Meet up with your fellow travelers and head to Home Base in Paraíso de Cartago. Unpack, settle in, and get acquainted with your new home through an informal city tour.

DAY 2: ORIENTATION & ZIPLINE

We'll jump right into the adventure with a ziplining excursion! Sail through the cloud forest and keep your eyes peeled for brightly-colored birds and other wildlife. Afterwards, we'll head to a local coffee cooperative. Learn

about how coffee is produced and taste the beverage at its freshest!

In the afternoon we'll have an extensive orientation to go over group objectives, service expectations, and helpful hints to help get accustomed to the culture. Break into Mentor groups and get to know each other better with icebreakers and group activities.

DAYS 3 - 6: COMMUNITY SERVICE, SPANISH LANGUAGE & CULTURE

Service time! Meet with community members to learn about how you'll be helping with community projects. Service begins early each morning and ends at lunchtime. Our work will be physical, and will include mixing concrete to build sidewalks for better access, painting, and planting. We'll break up into teams for our projects, and also use the time to practice communicating in Spanish with our local counterparts. In the afternoons, play soccer, learn traditional dance or cooking and learn about Costa Rican life from residents.

Afternoons are dedicated to language classes and cultural immersion. Classes will be tailored to skill level—beginning, intermediate and advanced. Take your skills out into the community to try out your new vocab. Don't be shy! Locals here are patient, friendly and willing to help you speak more like a native.

In the evenings, reflect with your fellow GLA students and mentors on the impact of service, your leadership journey and our cross-cultural experiences.

DAYS 7 - 8: OVERNIGHT BEACH EXCURSION & SURFING

After a week of service and learning, it's time for a weekend adventure! Experience the back roads of Costa Rica as you wind your way from the mountains around Home Base down to the Pacific coast. The highlight of this overnight trip is Marino Ballena National Park, known for its pristine beaches and abundant wildlife. Ballena is Spanish for "whale," so named for the shape of the park. Explore the natural beauty—if you're lucky, you might spot sloths, monkeys or tropical birds. Surf, swim, and relax on the beach. You've earned it!

DAYS 9 - 11: SPANISH, SERVICE, ADVENTURE

We'll get back to work with the community of Paraíso, where we'll wrap up our projects. By this time, you may have developed friendships with the Costa Rican families and your spoken Spanish will begin to feel much more natural. In the afternoons, we'll try our hand at cooking the local cuisine, play games, and have time to enjoy our natural surroundings.

DAYS 12 - 13: TURRIALBA VOLCANO

Experience Costa Rica's various different types of forests (subtropical and tropical) from a whole new perspective. Take in the amazing landscapes at Turrialba Volcano National Park as we hike near the base of the volcano and learn about the many species of flora and fauna that we'll encounter as we trek along.

For students on the 14-day program, it's time to say goodbye to your new friends and to the community that has served as your home away from

home. There, we'll enjoy a celebratory dinner together and reflect on both our accomplishments as well as what we've learned from this experience.

[14-Day Program Ends]

It's time to say "adios"! Students on the 14-day program will depart today. At the airport, GLA staff will help students check in for flights and see them off for the journey home.

21-Day Flagship Program Only

DAYS 15 - 17: SPANISH, SERVICE & ADVENTURE

On the 21-day program, we start our final week together at our community service project. You'll be amazed at how much you've accomplished and learned these past few weeks! Enjoy your final days with the community and families you have come to know and love.

You'll have time to continue working on your final group presentations, summarizing what you've learned. A focus of the program is for you to be able to present your experience in Spanish, as a way of practicing your new language skills and retaining the lessons you've learned while living and volunteering in Costa Rica. Practice now so you can spread understanding of the issues you're familiar with back in your home communities.

DAYS 18 - 19: RIVER RAFTING & REFLECTION

More adventure! We'll rise early and travel by bus to the Orosi River, where we'll embark upon a whitewater rafting adventure! With the help of our expert guides, we'll navigate our way.

DAY 20: CELEBRATION

Time to say goodbye to your new friends and to the community that has served as your home away from home. We'll enjoy a celebratory dinner and reflect on both our accomplishments and what we've learned from this experience.

DAY 21: DEPARTURES

After breakfast and final goodbyes, students will depart to catch their flight. GLA staff members will ensure that students are checked in for their flights and prepared for their journey home.

NOTICE ON PROGRAM UPDATES

Every year brings new and exciting opportunities for experiences we can offer students on our programs. While this program is being planned for 2022, some activities or details may change between now and the program start date. Please note that references from past participants and previously published information may not accurately reflect every aspect of this program. Refer to the sample itinerary above or to the GLA website for the most up-to-date version of program activities, and please note that further updates may be made between now and the program start date.

POSSIBLE CHANGES TO PROGRAM ACTIVITIES DUE TO COVID-19

Due to the COVID-19 pandemic, please note that program activities may change in order to accommodate COVID-19 regulations. In particular, service projects and other activities that typically involve close contact or engagement with members of the local community may be curbed, altered or skipped depending on staff evaluations on the ground and/or at the discretion of our Executive Director and Director of Program Operations & Risk Management. Every effort will be made to provide an exceptional experience on-location, at whatever level of community interaction is deemed safe at the time.

TRAVELING TO COSTA RICA

GLA HOME BASE | GLA operates two Home Bases for this program. One is located close to the central park in Paraíso de Cartago and the other one is about 20 minutes away with a fantastic view of the valley.

FOOD | Costa Rica is known for its simple diet of rice, beans and a side of meat. The food at Home Base will reflect the traditional dietary staples of the people in Costa Rica. It will be simple, but fresh and healthy and include delicious, locally-grown fruits.

CLIMATE | Although summer is the middle of the rainy season, Costa Rica typically experiences a mini dry season in July. Rainfall decreases significantly for three or four weeks, especially in the northern Pacific. This makes for hot, sunny days and cooling evening rains.

LEADERSHIP

Global Leadership Adventures started as an educational institute, so we continue to think and act like educators—not tour operators—as we deliver life-changing programs. We intentionally weave a leadership curriculum into the daily experience on our programs. Through group discussion, meaningful service, workshops, speakers and excursions, staff guide students to reflect on program events through the lens of leadership, and celebrate outstanding examples of leaders they encounter in the local community. Lending this context to the experience creates opportunities for students to dig deep into their vision, purpose and knowledge of themselves and the world.

ABOUT GLOBAL LEADERSHIP ADVENTURES

Global Leadership Adventures was founded in 2003 by Fred Swaniker, a native of Ghana, TED Fellow and educational entrepreneur whose work has been praised by Barack Obama. Born as a global extension of the revolutionary African Leadership Academy, Global Leadership Adventures now operates programs centered around leadership, sustainable community service projects, and meaningful travel across Africa, Asia, Europe or the Americas. Through life-changing adventures, we strive to inspire the next generation to realize their potential to transform the world and their role in it.

Our Expectations

Be present

Our mission at GLA is “to inspire the next generation to realize their potential to transform the world and their role in it.” To that end, we expect GLA students to maintain high standards of personal behavior and to be open-minded. The culture may be different, sometimes shockingly so. GLA will challenge students as they are expected to work hard and be present physically and mentally for all activities. We also ask students to take a step back from regular use of technology - particularly their smartphones - so as to maximize their engagement with the program and their fellow participants. Students may get hot, dirty and bug-bitten along the way, but their contribution can transform the community. The goal is for each student to return home having had a life-changing experience.

No tolerance

GLA has a no-tolerance policy towards drugs, alcohol, tobacco and disruptive behavior. Those who violate or are suspected of violating this policy will be immediately dismissed from the program at the sole discretion of GLA staff.

Community-Led experiences

GLA makes every effort to offer thoughtfully crafted programs for teens and young adults. Detailed planning and exhaustive communications with partners are indispensable parts of our program development process. However, occasionally service and activities are adjusted from session to session, due to weather, changing needs of our local community partners and/or various cultural celebrations and customs. We expect participants to be open-minded and flexible, willing to embrace the experience when plans change. GLA makes every effort to communicate adjustments to students and families with advance notice. We expect you to be open-minded and flexible.

Mentorship

GLA is not a therapy program. Our staff are highly skilled, professional, caring and fun, but they are not licensed therapists. GLA programs can be physically and emotionally demanding, and applicants should be in good physical and mental health.
